

American College of Physicians New Jersey Chapter
Annual Internal Medicine Review Series

2023 - 2024

Designed for

Residents preparing for board exams
Physicians preparing for recertification

ACPNJ recognizes the importance of lifelong learning for Internal Medicine Physicians. Continuing our education is vital to ensuring our patients receive the quality of care they deserve. That is why ACPNJ is excited to bring the Annual Internal Medicine Review (AIMR) back with new updates and standard refreshers to prepare residents and practicing physicians for upcoming exams.

Program Highlights

- **Expert Faculty:** Our faculty consists of specialists who will bring their expertise and real-world experience to provide you with valuable clinical perspectives.
- **Comprehensive Content:** Our 2023- 2024 program will delve into 13 separate disciplines, covering a broad spectrum of internal medicine topics.
- **Convenience and Flexibility:** This is a virtual course, giving you the freedom to learn online in the comfort of your own home.
- **Collaborative Environment:** Connect with like-minded professionals as you navigate challenging concepts together.
- **Continuing Medical Education Credits:** Earn valuable CME credits while boosting your medical proficiency.

Course Directors

Nayan K Kothari MD MACP FRCP (Edin)

CME Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of New Jersey of Academy of Family Physicians and the American College of Physicians New Jersey Chapter. The New Jersey Academy of Family Physicians is accredited by the ACCME to provide continuing medical education for physicians.

The New Jersey Academy of Family Physicians designates this live activity for a maximum of 68.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC Credit

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 68.0 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM
