

Daniel Goldsmith, MD, FACP

Biosketch

Dr. Goldsmith is the Associate Program Director at Capital Health and a member of the ACPNJ's Governor Council. He is a seasoned Internal Medicine physician with over 20 years of clinical experience in both private and academic practice. Teaching and clinical practice has been the focus of his career thus far, though more recently he has added administrative leadership and research activities to his role at Capital Health and serves as the Chair of both the CME Committee and the Institutional Review Board. Dr. Goldsmith received his medical degree from Weill Cornell Medical College and completed his residency training at Boston University. His areas of professional interest and expertise include Medical Education; Clinical Reasoning & Decision Making and Health Care Economics & Policy.
